

IN SENATE OF THE UNITED STATES.

FEBRUARY 29, 1848.

Submitted, and ordered to be printed.

Mr. JOHNSON, of Louisiana, made the following

REPORT:

[To accompany bill S. No. 155.]

*The Committee on Pensions, to whom was referred the petition of Bethiah Healy, widow of George Healy, report :*

That this claim was examined by the Committee on Pensions of the Senate, on the 6th of August, 1846, and a favorable report made thereon. The committee have examined the said report with attention, and concurring therein, adopt it as a part of this report.

IN SENATE OF THE UNITED STATES.—August 6, 1846.

Mr. BARROW made the following report :

*The Committee on Pensions, to whom was referred the petition of Bethiah Healy, widow of George Healy, report :*

That a certificate from the secretary of state of Massachusetts, establishes that the name of George Healy is borne upon a muster roll of Captain Moses Wilmarth's company, in Colonel John Daggett's regiment, as a fifer, from January 1, 1778, two months and twenty-five days; upon a pay roll of Captain Alexander Foster's company, in Colonel Thomas Carpenter's regiment, for service at Rhode Island as a fifer, from July 27, 1778, seventeen days; upon a pay roll of Captain John Shaw's company, in Colonel Jacob Gerish's regiment stationed at Cambridge, as a private, from September 7 to December 14, 1778, three months and seven days. Said roll is dated "Raynham, January 22, 1779." In all, a service of six months and nineteen days.

It appears that through ignorance on the part of the claimant, when a former application was addressed to Congress for the services of her husband, in which a pension at the rate of a year's service

was claimed, the evidence now submitted was not procured, and therefore an allowance of but six months was made. The testimony is full and complete to prove that the petitioner, Bethiah Healy, is entitled to a further allowance of pension; and the committee report a bill conformably thereto.
